“ Eva Britt, attorney at law, lived in a tiny, almost completely immobile, body, always tastefully clad, topped by vivid, ample, memorable hats.

She took her motorized chair to our offices, to court, perhaps to fashion shows, wherever she needed to go. In our mailroom, Eva dismounted, used canes and penguin-like walking to get to and from her mailbox. Sometimes she tarried to chat a bit. I can hardly bring to mind her face without its smile. Her conversation was consistently cheerful, uplifting. When she left, a light had gone.

Eva worked worked with and for disabled people. Did some teaching. Originated and probably sold fashion items for disabled, and abled, women. She had a good eye for clothes. I was, also, confident of her competence in legal tasks which she undertook.

We kept a mail service account for Eva for decades. We honored the host/client relationship. We charged her little and she paid when she wanted to. She was Eva Britt, attorney at law.

Our reward was her presence. The sight and sound of Eva on our premises uplifted the day, or the month, she appeared. We were better on that day. She was courage, the joy of life, vibrant among us.

Told I cannot see her again, that is what I miss now, I do not know if I will ever again meet her match.

“ Eva was a champion for people and justice. While she was a student at ECSU, she was a student leader and a proud Viking. I was proud to call her " CUZ". We communicated and she and I spent time together many times when she came back to Homecoming. Family, Eva fought a good fight and is at peace. Viking Pride, Eva, ECSU is proud of you and your accomplishments.!!!

“ I will always remember Eva as being fair in all of her dealings with me and others. She stood for what was right and there was no deviation from that. It has been a long time since I last talked to her but she will forever be a part of me, now and for always. May the family find comfort in knowing, our emptiness is heaven's gain. May God continue to comfort all of the immediate and extended families..

“ Words cannot adequately express the loss of a friend who was dear as a sister. The Lord Jesus Christ allowed me to know a rare and beautiful spirit with the name Eva. To her family, fellow ECSU classmates and friends, may God grant peace which surpasses our understanding. Eva is forever in my heart and knew that.

“Eva Britt served many years as the Chair of the Assistive Technology Program for the District Columbia. She was a strong advocate for persons with disabilities to live independently in their communities on their own terms. More importantly, she was a personal friend to me with words for encouragement supported by the Gospel of Jesus Christ. Eva was also noted for her BAD hats and nobody could rock a hat like Eva.

Britt. She often talked about going back home in North Carolina and now she can rest in peace at home. May God comfort the family and friends during this season of loss.
