“ *My earliest memory of Ment is when she visited Ma who was her Aunt Bettie, daddy, and me when she was teenager. I remember sitting on the porch swing with her. Many years later Ment used to visit Ma at her home with some of her relatives that I don't remember the names of. Ment entertained Ma by standing up in the floor bare footed and talked about old times in Windsor and about a few funny incidents. Ma was people person and loved to laugh so her day was made by Ment. Ment also accompanied Ma to my daughter's college graduation by flying with Ma. I think Ma did not want to fly alone. We enjoyed having Ment with us. It was Mother's Day weekend and unfortunately her mother Ora passed. She made it through with strength to carry on. I don't know how she did it. Years later Ment went to visit Ma who was in rehabilitation in a nursing home. Ment loved her Aunt Bettie and she loved Ment. Ment seemed to be an easy going person who cared for those she loved. She will be missed. Her family will have loving and good memories to help them carry on.*

“ *Aunt Ment was one of the sweetest, humblest women I have known. She was the very best Aunt to my boys, Josh & Jerry Wynn III. She would always have a kind, soft spoken word for us and always, always had a smile. Rest in Peace Aunt Ment!*
