“ *Miles and years apart have not diminished our memories of Audrey Williams. She had a lovely spirit of kindness, charm and grace. She was a force for change in education that never waivered. Instrumental in the forging of the consolidation of high schools and building a new middle school, Audrey worked tirelessly for Hertford County children. It was an honor and privilege to serve on the Board of Education with Audrey. Personally and professionally, she was a unique person of honor and integrity. May you find comfort in knowing her life was well lived.*

“ IN HONOR OF A DEAR FRIEND

*I have just lost one of the best friends I ever had. Audrey and I have not seen each other recently or talked in the last few years because of our aging and the distance between us, but we shared a bond that will never be broken.*

*Audrey became my dearest friend when I moved to Hertford County in 1968. Our children grew up together. We worked together with the youth choir at First Baptist Murfreesboro for many years. We also went to the theater in Norfolk together from 1968 until I left in 2004. We did this 5 times a year and took many friends with us. We also took our children on many excursions together and shared many interesting experiences with them.*

*Beside all the fun things, Audrey and I shared all the ups and downs of life. We had similar backgrounds growing up, so we understood each other. Whenever either of us needed a friend for any reason, we could depend on each other. 'Audrey, thank you for being a very important part of my life and for letting me share yours.'*

*To the Williams Family from the Flood Family: Please know that you are not alone. Your mother and grandmother was a blessing to many people. Her influence will be felt for many years to come.*

*With much love,  
Yvonne Flood (Aunt Yvonne)*
