“ *My sincere condolences and prayers are with you at this time. Barbara was my cousin. As a child, I would visit Winton Beach. Barbara and Maggie use to work there. They were often found working the Pick Up a Duck Game. I use to think they were the prettiest young ladies I had ever seen. Surely they must have been the closest we had to princesses. I wanted to grow up to look and be just like them. One day I told my mother my wishes. She then told me that they were my big cousins. Although I knew their father was related to my mother I had never made the connection. Barbara was beautiful inside and out. Rest well Barbara.*
