“ We are comforted today as believers in the eternal promise that death is not an end, but a beautiful transition into everlasting peace. Miss Bernice lived a life marked by grace, compassion, and an unwavering devotion to both her family and her faith. She was a woman who radiated warmth - her calm spirit and sweet nature uplifted everyone she met. Her acts of love - both big and small, left lasting impressions on all who knew her. Miss Bernice's love lives on in every life she touched. Though she is no longer with us in body, her spirit remains - calm, sweet, stunning, enduring - as a reminder of the beauty of a life well lived.
