“ I will never forget working with Brenda at the employment office when I first retired from the Army. She was so nice and showed me the ropes there. Then I had the pleasure of having her children in my Junior ROTC class. Brenda was a wonderful person and I will miss her even though I have not seen her in a long time. Jennifer and the Chamblee/Sessoms families know that you are in our thoughts and prayers. May God bless you with peace and comfort. SGM Farmer

“ All the years, I have known Miss Brenda, she was truly a lovely lady inside and out. I am really grateful for the determination she had in teaching her students Health Science in the Career & Technical Education program even when she was going through her journey. She did not stop until she absolutely had no choice. What a soldier of the Lord! God's peace to the family.
