“ Catherine Garris was a very important part of the Roy D. Flood, Sr. medical practice. Without her hard work, love and support, the practice would not have survived those 1st few years.

*Catherine was Dr. Flood's nurse from the day he opened the practice in 1968 until he passed in 1997. She was also his friend and confidant. Many of her family members also worked closely with the Flood family members and were an important part of our life in Hertford County.*

*Please accept our love and deepest sympathy in the loss of our dear friend, Catherine.*
