“ Seems as though it was just a few years ago when we were 1st graders learning and playing together. I remember when we were in the 3rd grade taking a standardized test and I was looking over on your shoulder to see how best to shade in those circles on the multiple choice test. We made it through elementary school and into high school. (However; God had more mercy on all of us while in the 7th grade). You elected to be a trail blazer, in helping to desegregate and prepare Bertie High School for complete integration that started in 1969. After high school you and I had the pleasant opportunity to be together in school again, attending Wilson Community College. We were also roommates. My condolence goes out to Betty and your family. In times like these we seek to find consolation. Our consolation comes from knowing that you were a believer who accepted Jesus Christ as your personal savior. We know that the key to seeing you again is to be as you were - a believer. So - with that; I will not say goodbye, for “goodbye” is not good - Instead, I will say - I’ll see you later.

“ Condolences to the family. Lennell and I have known each other since we were children in Colerain, NC. Lennell and I were two of a few students who participated in Freedom of Choice to attend all white Bertie HS in 1965 and graduated in 1967. Over the years he kept in touch with me and my sister, Patricia Watford Doucet. I will miss him. Rest in peace my brother in Christ💕. Veronica Watford Brame

“ I'll see you on the other side in glory old friend-my very first running partner of more than 70 years! We laughed and shared lots of memories and talked often. Glad I paid you that dime owed you for more than 60 years, that you never forgot. You loved God,your Church, Betty'and family. We prayed often for family salvation. You were prepared to meet Jesus and my cousin fought a good fight, kept and finished his faith walk. There's laid up for Lynell a crown of righteousness, the Lord, the righteous judge will give to you, and to all those who are glad at Christ's appearing! I'll miss you cuz!❤️🙏
