*Connie was more than a beautician, more than a hairdresser, she was an artist. An artist dedicated to helping us look and feel beautiful. She was very knowledgeable and always willing to share her knowledge with her clients. She will be greatly missed our only consolation is in knowing that God gives rest to the weary.*

“ My heartfelt sympathy and prayers are with the family during this difficult time. My memory of Connie, she was the first hairdresser to style my hair when I moved to Hertford Co. in the late 70's early 80's when fingerwaves were in. I wore them many times. I will forever cherish her sweet spirit and thoughtfulness.

*Constance and I lived in the same community in Rich Square. We attended church and school together until she moved to Murfreesboro. I missed her dearly when she moved, we kept in touch and I would see her when she came home to visit. She was a loving and kind friend and I will miss her. Yes she use to hook me and my daughter's hair up to when I relocated to the area. I know you are in a better place. I know you will sing with the Angels in heaven. 🌹❤️*

“ *My heart is saddened by the loss of Connie but uplifted by the wonderful memories that many of us shared on Thursdays at Just Hair. I looked forward to Thursdays when I would go and be pampered as other clients would be especially seniors. When I needed a ride Connie would provide one for me. She kept my hair healthy and I received many compliments. We had fun and laughter and enjoyed time spent together. The wonderful memories will forever remain in my heart.*

“ So sorry to get news of Connie's passing. She was my beautician for close to 40 yrs., and her healthy hair regimen is probably the reason that I have the hair that's left. She was also a friend, and has been missed. Rest on, Connie, U deserve it.
