“ *Today was pretty rough but I know God has prepared a better place for us all. My summer months were always spent in New York and I remember my auntie feeding me and making a place for me to sleep and just always making sure I was alright and felt comfortable. She was always so beautiful to me and we use to call her pretty girl. I will never for get her smile, her laugh and her love...until we all meet again Auntie...love you forever.*
