“ *Jelisha and Jamar, I love you both beyond measures. Your dad (my brother) loved you two so much. He will be truly missed. We have to know that God makes no mistakes. It is definitely devastating 1 because he is my brother 2. Because he was so young. Always remember he may be gone physically, but spiritually he will be with you in your heart.*

*My condolences to Jelisha and Jamar for your loss of your dad. We know the scripture to be absent from the body is to be present with the Lord. I want to let you know, you all had a great dad that love his children. Cherish the memories and life lessons he shared with you. Your dad and my brother will truly be missed, but the great conversations that we had was a life lesson to apply to our everyday tasks. Cherish the memories, and to continue looking towards the hills which comes your help, cause your help will and shall come from the Lord, the creator of the heavens and the earth!!*
