

Donald "Donnie" Ray Anthony Jr.

June 5, 1970 - October 19, 2020

Donald Ray Anthony Jr. (50), the son of Donald R. Anthony Sr. and Maggie Archer Anthony, departed his earthly life on October 19, 2020 at UNC Hospital in Chapel Hill, NC. Donnie as he was affectionately called by his family and friends, received his early education in the public schools of Hertford County. After graduating from Ahoskie High School he furthered his education at the University of North Carolina at Chapel Hill, receiving a Bachelor of Arts degree in History. Donnie worked as a Senior Data Scientist at IBM and was with the company for 27 years.

Donnie loved spending time with his family, watching Carolina basketball, barbequing, taking care of his saltwater aquarium, playing with his dogs, gardening and photography. Playing basketball with friends at the YMCA was one of his favorite hobbies. Donnie was also an avid fan of his children's baseball and softball games. He never missed a game played by Justin or Camryn.

Donnie's memories will be cherished by his wife, SuLin L. Anthony of the home; son, Justin Anthony; daughter, Camryn Anthony; parents, Donald Ray and Maggie Anthony, Sr.; mother in law, Teresita Lumley; a host of other relatives and friends.

“ I remember when Donnie came over to our house to give my son a Transformers toy after he heard how excited my son was about them. My boy was so happy and spent the entire afternoon playing with and figuring out how to transform the robot. A week or so later my boy took that robot to show-and-tell and he and his school mates found a new trick it could do. The joy he brought about is what I think of.

“ Dear SuLin, Justin, Camryn, all the extended family, and close friends, I am so very sorry to hear about Donnie's passing and want you to know that I will keep him in best memory!

We used to work in the same team for many years, but even after our careers progressed in different teams, I always knew I could reach out to him anytime to get his help. Not that I did do that often, but every time I did, he was there immediately. I appreciated a lot his patience in listening, his great expertise, his honest feedback, his positive attitude and his sense of humor. It was a pleasure to be working with him and I am thankful for the shared moments!

RIP Donnie, I will miss you!

“ Very sad. What a super great guy. Donnie was a team mate and office neighbor early in my IBM career. He had a huge positive influence on me. He turned me on to Lotus Notes development among other cool techie things. That opened a lot of opportunities and learning experiences for me. Just before COVID, I started running into him often at work. He hadn't changed much. A little grayer in the hair, like myself. RIP Donnie. Thanks for everything. Prayers for your friends and family.

“ I'm still shocked about the news. On Monday he had a day off. Still he dialed into one of our meetings and contributed significantly. He was like always - positive, laughing but in the business talks an expert. A few hours later he left us.

We are loosing a great expert and a great teamplayer at our teams in Raleigh. This is far too early and such a loss.

I wish his wife, his children, all the relatives and friends the strenght to deal with the loss of such a great person. At IBM we will keep him in our memories, in our heart. Our prayers are with him.

“ Dear SuLin, Justin, and Camryn, and the rest of the Anthony extended family. Words cannot truly express how we feel about the passing of Donnie. He was truly great person. He made all of us better by just being around him. We would text each other while he was trying to bounce between CHHS BB and CHHS SB games to take pictures. He would talk about how it was easier on some fields to get to see both of the games. I remember thanking him for letting me warm up Cam before travel ball games, he understood the precious time he was allowing me to share in their lives. Our last conversation was about the children (of course) and our hopes for them. I mentioned that they have a great foundation to guide them because of his love for them and his love for SuLin. They know what right looks like.

To Mr. Anthony (Donnie, Sr.), thank you for your life lesson you gave all of us yesterday. Your grace and thoughtfulness touched all of us.

God Bless you and keep you. May the Lord grant you His Peace.

“ We have known Donnie since we moved 2 doors away from him - 16 years ago. Donnie was always positive, calm and easy to talk to. He was always helping someone: loaning tools, helping for cleanup day, cutting other's grass, or just walking his dogs with SuLin and talking with neighbors. He was the watchman of the neighborhood since his office overlooked the street. Anytime someone needed him, he would drop what he was doing and come help immediately. Everyone was touched by him.

We remember fondly Donnie playing basketball or throwing softball and baseball with Justin and Camryn. He was very proud of them and was talking about them a lot. He was a family man and a great person.

The neighborhood will not be the same. We will miss him immensely.

Our thoughts and prayers are with you.

“ *SuLin, Justin & Camryn-
Donnie coached both our kids, Samantha and Michael in baseball. We watched him impart a love of baseball and life to them both. Along with Coach James White they both were always upbeat and wonderful teachers. We saw optimism and integrity from Donnie. Our children learned not only how to play baseball but how to act as a team member and are better members of society for his example. Donnie was always quick to greet you with a smile and handshake. We would often "hear" Donnie cheering for Justin or Camryn before we would see him when going to games at Chapel Hill High. He loved his family and did not hide his well deserved pride. Our community feels a great loss today at his passing. It is hard not to think of Donnie and smile. He was such a nice man. You are in our thoughts and prayers over this tremendous loss.

“ I will never forget meeting Donnie for the first time when the Voice Operations Team was created at IBM. He was a down to earth, laid back, results oriented guy. He was like our Charlie working in an office full of women "the angels". I was still in undergraduate school at the time and he offered wisdom even though only being a few years older than myself. Next most memorable moment, remembering his smile when he talked about SuLin. We were so happy for him yet being protective like we were his big sisters. It was an honor to play a role in their matrimony as the bridal party hairstylist. I felt like I had gained a sister friend in SuLin knowing she was going to make the best compliment to the great man Donnie lived and now will remain through the legacy of his beautiful family. Im still overwhelmed by the news, so I keep you lifted up in prayer for God to grant that peace that only He can. My love. Emma

“ I have no words to express my shock and sorrow of Donnie's passing. Instead I will share the thoughts of Edgar Albert Guest...

"Miss Me - But Let Me Go" written by Edgar Albert Guest.

*When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom-filled room,
Why cry for a soul set free!
Miss me a little - but not for long
And not with your head bowed low.
Remember the love we once shared,
Miss me, but let me go.*

*For this journey that we all must take
And each must go alone;
It's all part of the Master's plan
A step on the road to home.
When you are lonely and sick at heart
Go to the friends we know,
And bury your sorrows in doing good deeds.
Miss me, but let me go.*
