“ *I did not know this until I read it in the paper yesterday. Eunice was one of my favorite people during the time I worked at RCCC, and I was blessed to know her. I had just been thinking about her over the last few weeks. She was a very personable, caring person who did her job with grace. In fact, several of those that worked in the custodial/maintenance department at that time were champions of goodness (I still miss Paul and Jethro). The world was a better place with Eunice here. RIP dear friend and thank you for sharing your friendship with those of us that were fortunate enough to work with you!*
