“ *I met Gayle many years ago. Our daughters are the same age and participated in the same activities, thus began our friendship. Gayle was a good listener,, helpful, and kind. She dearly loved her daughter, Nicki and Nicki has proven she will go the limits for her mom. God bless you for the care given to your parents. I pray that God will continue to surround you with his love, comfort you, strengthen you, and give you peace during this difficult time.*

“ So sorry for your loss. Sending condolences and prayers for strength to the family. Nickie, you were so dedicated and loyal to your mom. There are many special blessings in store for you. One bery special memory I have of Gail is an anniversary given by the Pastor's Aide of Philippi. Gail was the President. We “ pounded Rev. Hall. Everyone bought in a pound of everything: flour, sugar, rice, onions, etc. We had a wagon load of food. It was so much fun! This is the type of person she was. We had many great times together. Rest in heavan my dear sister. You will be greatly missed!
