“ Ceola,

You and your family provided a warm, loving home for your father. You have done what the Lord asks us all to do, honor and care for our mother and father. The constant care and stress fade, but you have worked hard on your Dad's behalf.

Your Dad enjoyed the last few years of his life due to your kind, loving care in your home. He is now enjoying his eternal reward.

We hope you know you are supported and thought of in this difficult time. May the Peace of the risen Lord surround you and your family with Comfort and Love.

We wanted you to know we are thinking of you and your family, sending prayers your way. Wish we could be there today, but we will be there in the days, weeks and months to come. Please let us know if you need anything.
