My heart is so sad, I had the pleasure of working with Gloria at canon Va., When she left canon she went into the newportnews public school system. Gloria shared with me how she really loved working with children,,shes been on my mind so heavy since I learned of her illness and I wanted to reach out to her but had no way of contacting her, she was so heavy on my mind. Gloria always talked about her daughter Dahla! She loved her so much, Dahla brought such joy to her life!! Gloria use to wear a ring on every finger of both hands, but the best ring she has now is the ring around God! God bless Gloria and her family, rest in peace Gloria; Gale Davis Niedentohl
