“ *Glen, don't know if you remember me, but I tutored high school math when you were there and I worked with your mother. I am so sad for you and the family on the loss of your dad. Your dad was a pioneer in the lives of many young and old people in this town. He led with finesse and love in the community he loved. Your dad was one of the reasons I became a teacher. I worked with him too and always admired him. He was a great leader! I am sending my thoughts and prayers and love to each of you as you go through this time of sorrow.*

My sister, brother and I had classes with him at RCCC. He remembered us afterwards and when he would see one of us somewhere would ask about the others. Thank you Dr. Mitchell for all you have done.*

“ Dr. Mitchell was a wonderful man who I will miss greatly. We loved spending time with him and Ms. Doretha at their home, laughing, eating and enjoying each other's company. Dr. Mitchell is one of the bright and caring lights that I will always associate with Ahoskie. He made me feel so welcome in this small town and blessed me with his friendship. Rest in eternal peace our friend.
