“ *To the family, please accept my condolences for your loss. At a time like this, naturally hearts are heavy with grief so personally I found the Bible to be a source of much comfort. Such scriptures as Isaiah chapter 25 verse 8 and Revelation chapter 21 verse 4 that helps us see God will one day soon bring about a solution to suffering and death. I hope the reading of God's Word and of those scriptures bring you a good measure of comfort during this difficult time.*

“ I was saddened to hear about the passing of your loved one. My Pastor teaches us that we don't weep as ones with no hope. You will be able to see him again. I will lift the family up in prayer.
