“ *So sorry to hear of Mr. Jule's passing. I had the pleasure of meeting him at Accordious while visiting with my Auntie. He was so humble and kind. We had conversations about his son Michael and he was elated to talk with one of Michael's classmates. I will never forget how he appreciated every little thing that someone done for him. He never complained about anything. I always asked his daughter about him after I stopped going to Accordious. I will forever remember his meek and gentle spirit. God bless you family and may you find strength in the Word of God during this time.....*
