“Precious memories, how they linger, How they ever flood my soul
In the stillness of the midnight, Precious sacred scenes unfold”

Miss Porter was my kindergarten teacher at the New Ahoskie Baptist Church in the 60s. To this day I have a picture of Miss Porter preparing me to walk in my cap and gown for graduation. I praise God for the memories and for early educators he placed in my life. it was through women like Miss Porter I became the educator I am today. My family and I celebrate the memories of educators who made the difference.
