“ *My condolences to your family for your unfortunate loss. It is my hope that one day our Saviors words will come to be as stated in John :28 29 , There will be a resurrection of such ones and in the very near future . You are in my prayers for I have lost loved ones and I know our grand creator has not forgotten the ones who believe in Him and love Him*

“ *Terri,*

*Please know that my thoughts and prayers are with you during this time and the days to come. Remember our many conversations and know that I am always here for you. The colors will not be as bright for awhile and you will hear and feel many strange things. As did Mary at the birth of our savior, ponder them all in your heart and I promise they will all make sense in the days and months to come. May the love of family, friends and our Lord flood your soul during this time giving you strength, comfort and peace.*

*Much love,
