“ *Mr. Roberson taught me in middle school (in the early 1980's). I was lucky enough to have him for a couple of years! My all time favorite teacher ever! I can still recite the Gettysburg Address that we had to memorize. I can still hear him reciting the last line of “ The Bells” by Edgar Allen Poe. What a lasting memory he made on us all and the one who taught me grammar! I know he is singing in that same loud voice that traveled the hallways! I only wish I had been able to let him know the impression he left on me. Never forgotten. You all will be in my thoughts and prayers.*

“ Just got this news this morning. I'm one of the seven Garrett girls. Michael was our childhood friend when we lived in Ahsokie. Thank God, He met this lady and gave her his number. We were reunited. We started going down memory lane. He was able to attend two of our family gathering. Once a month, before Covid-19, He enjoyed fellowshiping with us at New Bethel Missionary Baptist Church in Hertford, NC. He will be missed. Our prayers are with the family but God is always near. May God bless and strengthen all of you. With Love, Thomas & Bernell Garrett Webb

“ Rip to one of my favorite and the best English teachers I've ever had. I've learned more English under him than I've ever learned from any other teacher! The amazing thing is that I had just mentioned him about a week ago talking about how he would make us take 10 test and dared us to fail a one. Although, it scared the hair off my head, I learned and memorized what was necessary!! I won't ever forget your beautiful voice either even on my wedding day!! He has definitely left some unforgettable memories!! Rest easy until we meet again!!
