“ Our fondest memories of Nancy was one of a poised, kind and soft spoken soul that welcomed us with open arms. The way she lived life and brought light to others was admirable. She embraced her role as our Bonus Mom. She was always there to give her kind words of wisdom. She was by our side during some of the most challenging moments. We treasure the genuine relationship she shared with our mom. They were truly friends. We are so grateful for the love and support she shared with our Father. ( John Brown). Although we cannot hear her voice or see her smile anymore, Nancy walks beside us still just as she did before . She listens to our stories, and she wipes away our tears. She wraps her arms around us and she understands our fears. Her goodness will live on like a legacy of love that will always be with us. We send love and hugs to our extended family; we wish you all peace and comfort during this difficult time.  
From your Bonus Family
