“ *She was one of 3 of the best teachers I've ever had in my entire academic career. She was wonderful, and I loved the way she could calm down a classroom and ease the anxieties of small children. She encouraged me to go as far as I could go. And I loved her so much. It was after chatting with her, we discovered we were sisters through the Order of Eastern Star. She was one of a kind person. I will miss her greatly, and the World will be the worse for wear without her smile, kind heart and compassion for others. Namaste!*
