“ *Paula and I were classmates and family. I smile when I am reminded of the days we walked home from middle school. We talked about the future and I'm sure we solved many of the world's problems. I will miss you and the wonderful, sweet spirit you exuded everyday. Prayers for all who loved Paula. ❤️*

“ *Paula was a wonderful friend, and special in so many ways. Her capacity to love others and offer her support has helped many that came across her path, including me. I loved her dearly and cherish the times we had together. My heart is broken, but i know she will live on in our hearts and precious memories. May God bring comfort at this time of sorrow. Love to you all.*
