“ *I loved my aunt Peggy who married my Uncle Al Eford. She lived with me and my mom and brother at one time. I used to sneak and wear her leisure suits she was selling, and when I got home from school I used to put them back in the closet. She never knew what I had done and I always felt bad afterwards. She was a great mom and I thought she was so classy. I used to call her Lena Horne because she looked like her. She used to make me smile everytime I saw her and she always had a positive word for me.. I will miss her dearly... Darlene Lewis*
