“ *Leroy, the cousin that left an everlasting impression and who had a profound impact on all he met. His impression and impact was so great that everytime I spoke with with mom she always had something about Leroy to bragg on. I for one was extremely proud of all his life achievements. Leroy, you will be truly missed. Rest In Peace ccousin.*

“ Heaven sure has gained a lively angel. I have known Leroy and was his classmate since 1978. He was always such a kind, happy soul. He knew how to light up a room and to have fun in a Godly way. I will cherish the memories of our 1985 school reunions and remember him always in the years to come. Our 1985 class will forever miss you and hold a deep spot in our hearts for you too. I will get strength and comfort from the scripture he so believed in and spoke on a daily basis. May you R.I.P. Leroy and we will rejoice in being blessed by you for the time you were with us!!!! Love you, Kim and Pat Kirby and the rest of the 1985 AHS Cougars.

“ I have known Leroy since elementary school. Amanda S Cherry in good old Harrellsville. Most of us from there stayed pretty close all the way through graduation in 85. Everyone always knew that we could count on Leroy for a laugh. I was always in awe at how easy school came to him and always figured that if he could get out of Ahoskie, he was really going to make something of himself. The last time I saw him was at our 25th reunion. I know from that last meeting that his faith was foremost in his life. Rest easy Leroy, and watch movies over the rest of the Class of 85.

When we were in school Leroy could always make me laugh. He still made me laugh at our reunions. He will truly be missed by the class of 85. His family is in my thoughts and prayers. RIP Leroy, and I look forward to laughing with you again someday.
