The Bonner family and relatives,

There are many warm memories my family and I shared with

Brother Bonner. Our family's met about 42 yrs. ago. Just moved and

he welcomed my family and made sure we were encouraged to stay

spiritually upbuild. He always greeted us with a smile.

Brother Bonner set a fine example as he demonstrated his love for

God and his family.

We will miss him.

What is good and a comfort is the promise of a resurrection to earth.

(Ps.37:34)

Keep it in our hearts how we all will welcome our loved ones back in

the future resurrection.

You have our warm thoughts and prayers,

Sincerely,

Carolyn Askew and family
