Kyester Shadon - March 31, 2016 at 06:59 PM

“ *Please accept my condolence on the loss of your loved one. Will we ever see them again? Certainly death is not a natural condition, but an enemy. The Bible gives a wonderful hope of a resurrection at John 5:28, 29 as well as the assurance that death will be swallowed up forever [Isa. 25:8]. The Bible record lists eight resurrection accounts to support this promise. When will this occur? You will find answers to this and other Bible questions at www.jw.org. or speak to Jehovah's Witnesses the next time they call at your door.*

A Friend - April 18, 2014 at 09:25 AM

“ *It is still unreal to know that you are not here anymore. The kids have sooo many unanswered questions that I can't answer for them. The hurt is tremendously over bearing and they are trying to keep moving on day by day but without answers it makes it difficult for them. Graduation and prom is around the corner and your physical presence is nowhere near. Rest in Paradise and watch over Brianna and Tianna.*
