

Sheryll Jones Riddick

September 15, 1961 - October 20, 2020

Ms. Sheryll Jones Riddick (59) entered eternal rest at Sentara Norfolk General on October 20, 2020. She was the daughter of the late Minnie Louise Eason Anderson and James Donnell (Dino) Anderson of Hertford County. Sheryll was a 1980 graduate of Ahoskie High School. After graduation from high school, she furthered her education at Roanoke Chowan Community College. Sheryll migrated to Norfolk, Va. for a few years but, being the caring person she was, she relocated back home to care for her sick mother until her demise. Sheryll was employed with Roanoke Chowan Community Health in Ahoskie, NC as a referral specialist.

Sheryll was a quiet, kind hearted woman who loved her family dearly; especially her grandbabies. She was a loyal, easy going person whom her friends and co workers knew they could confide in. Sheryll was a stylist woman who loved shopping for the finer things in life. Her hobbies were doing arts, crafts and fingernails. She will truly be missed by all who knew her. Sheryll leaves to cherish her memories a loving husband, James T. Riddick; two daughters, Latasha Riddick and Jessica Flood (Curtis); three grandchildren and one on the way; a host of other family and friends.

“ Where do I begin. This is still so hard to grasp...what a hard pill to swallow. You more like that Special Aunt to us than a cousin. We always kept in touch whether it was sending a text just to say Hello and to see how the family was doing. We always sent our Happy Birthday messages bcuz you, James and myself share the same month(we are those special Sept babies❤️) You were always there whenever we needed you, whether it was family functions, graduations, etc...or just to talk. You will TRULY be missed my dear. I love you so much and will ALWAYS hold you dear to my heart. Give Aunt Louise and Uncle Darnell a hug for me. Continue Sleeping in Paradise beautiful. We will see each other again. Signed A Heartbroken Cousin 🥺🙏❤️

“ Sheryll, thank you for being my big sister and looking out for me. Thank you for all the laughs, secrets, and fond memories of growing up ‘in the country.’ Thank you also for the gift of two fine god daughters.

As we shared in one of our final moments together, our hopes, dreams and plans didn't work out just like we wanted, but God has always known best --even though we didn't see this coming. While we wanted to have our kids grow up close like we did, I thank God that LaTasha and Jessica have that inseparable bond. I will make sure they know their rich Eason family heritage.

Bro, through all your silliness, thank you for staying by my sister's side. May God continue to bless you.

Rest well 'chocolate covered peanut.' You fought a good fight and kept the faith. We will be reunited again in Paradise. Until then, please tell all our family who have gone on before I said hello.

“ Sheryll was often the first person I saw every morning to start my work day. She always responded with enthusiasm to my good morning and her gracious, hardworking and gentle humor was a delight. I never saw her frazzled even though she had to manage difficult situations for patients at times. When a co-worker had to be out for an extended time to care for a family member, Sheryll took on extra work without a beat with the grace and ease of the professional she was-. She was happy to be a behind the scenes person and cared very much about the patients and clinical teams getting what they needed. Sheryll was a part of the RCCHC family for 9 years and her smile and kind presence will be dearly missed. My deepest sympathy to her precious family.

“ To Mr. James Riddick and the entire family I send my deepest condolence to you all. I met Mrs. Sheryll about 3 years ago and worked with her at RCCHC for about a year and she was the sweetest person, pure heart, and never had a bad thing to say to anyone. We last spoke about 6 months or more ago just laughing enjoying conversation never once did I know that would be our last time talking. We had so many talks about life and gave me such good uplifting advice oh how I will miss her and the impact that she had on my life. I appreciated all of the positive vibes and talks that we had and I will always cherish those words of hers and keep them close to my heart. Mrs. Sheryll will truly be missed and Mr. James and family just know that you All will see her again. Continue to be blessed and I will keep you all in my prayers
