“ *Please accept my condolence on the loss of your loved one. Will we ever see them again? Certainly death is not a natural condition, but an enemy. The Bible gives a wonderful hope of a resurrection at John 5:28, 29 as well as the assurance that death will be swallowed up forever [Isa. 25:8]. The Bible record lists eight resurrection accounts to support this promise. When will this occur? You will find answers to this and other Bible questions at www.jw.org. or speak to Jehovah's Witnesses the next time they call at your door.*
