“ I was sadden to hear of the passing of Stacy. We go way back from Middle to High School. I remember running into you one time a few years ago when I was home visiting, you had that same smile and laugh that I shall never forget, we promised that we would connect more and when we are both home again we would hang out or do lunch ,unfortunately that never came too pass and I regret this tremendously. I know my dear friend you are resting in the Kingdom of God and knowing this, I'm at peace . You shall never be forgotten and our friendship and school memories I shall keep close to my heart. My Sincere Condolences to your entire family and may God heal their broken hearts.

“ I first met Stacy Holly in 2017, brought together by the precious gift of our shared grandson. From the very beginning, I could tell she was a good person—a kind and genuine soul. There was an immediate sense of comfort and familiarity, and before long, Stacy felt like a sister to me.

We always talked, sharing stories, laughter, joys, and challenges. Our conversations were filled with care and understanding; Stacy had a way of making you feel seen and heard. I am grateful for every moment we spent together and for the friendship and family bond we shared.

She will always hold a special place in my heart—not just as my grandson’s other grandmother, but as a true friend and a cherished sister in spirit. Rest in peace, Stacy. You will be deeply missed and forever remembered.

Love always,
Ms Nikki

Stacy was truly a sweetheart! Whenever I saw her, usually at Walmart in Ahsoskie, she was always smiling and friendly. We had great conversations about her son, granddaughter, and her Foster family! Stacy drove the school bus, for my SOS after school program, for many years. She also drove us on many Saturday field trips, once a month. Whenever I asked her if she would drive the Activity Bus for me, she always said, Yes. I am truly saddened by her recent passing. I am going to miss seeing her. Many times, she and her Mother, would be shopping together. My deepest condolences go out to her family. They are a close bunch, and I know that they are devastated by Stacy's untimely death. I know that the "sting of death is painful for her Loved ones!" I know about this type of pain, also, but I will encourage her family to stay strong, and keep her memories in their hearts! Take your Rest, Stacy, and thank you for All of your Support for the children of C.G.White Middle School and our Support Our Students Program(SOS). I love you, but God loved and needed you more! 🙏❤️
