“ *Pastor David:*

I was saddened to hear of your loss of your grandmother and your family's important member. On the one hand, I know of the difficulty of saying goodbye to someone we love. On the other hand, I know you all are celebrating in your grandmother's "homecoming". She has arrived to that place where there is no more mourning, or pain, or death, because the old things have all passed away! We all look forward to that day.

Please know that the prayers of Kim and myself are with you and your family.

God bless,

Tom Schwartz
