“ *Hey Unc, it's Eve, or as the family knows me, Robyn. I sure enjoyed our time together as a stand-in bid-wies partner with you. As a child growing up, I enjoyed it soooo much when you and mom played against uncle Eddie & aunt Gladys. I remember those days as if it was yesterday. You guys playing to the wee hours of the morning, and oh how I enjoyed the "bushels of crab legs" you & uncle Eddie would by. That's why it was a dream come true for me when you asked me to be moms fill-in when she passed. Love you Unc more than you know, and look forward to seeing you soon in perfect health on earth. Much love Eve*
